College Ready Scores for TSI Assessment

Recommended phase-in college ready cut-scores

Phase 1 – Freshmen entering higher education Fall 2013

- ✓ Mathematics - 350
- ✓ Reading - 351
- ✓ Writing – Essay Score of 5; Essay Score of 4 and Multiple Choice of 363

Phase 2 – Freshmen entering higher education Fall 2017

- ✓ Mathematics - 356
- ✓ Reading - 355
- ✓ Writing - Essay Score of 5; Essay Score of 4 and Multiple Choice of 363

Final – Freshmen entering higher education Fall 2019

- ✓ Mathematics - 369
- ✓ Reading - 359
- ✓ Writing - Essay Score of 5; Essay Score of 4 and Multiple Choice of 363

**ADOPTION OF LEVEL II: SATISFACTORY ACADEMIC PERFORMANCE
AS ONE OF THE POSTSECONDARY READINESS INDICATORS**

As required under Texas Education Code (TEC) §39.024 and §39.0241, TEA and the Texas Higher Education Coordinating Board have adopted cut scores on the STAAR Algebra II, English III reading, and English III writing assessments that exempt students from further testing under the Texas Success Initiative (TSI). These cut scores are also used to determine a student's need for enrollment in developmental education courses. The commissioner of education and the commissioner of higher education have designated the final recommended cut scores for Level II: Satisfactory Academic Performance on STAAR Algebra II, English III reading, and English III writing as the initial postsecondary readiness indicator to use for TSI exemption purposes. Additionally, per TEC §39.025(a-3), the final recommended Level II cut scores on STAAR Algebra II, English III reading, and English III writing will be the assessment requirements for students graduating under the Distinguished Achievement Program. In making these designations, the agency considered data relating student performance on STAAR to various measures of postsecondary success. For example, students achieving the final recommended Level II standard have at least a 70% likelihood of earning a grade of C or better in an entry-level general education course in the same subject area offered at Texas institutions of higher education based on studies that included samples of students enrolled in Texas two-year and four-year institutions.
