MSG:  
Your transcript has been sent to your recipient. (Please see our email for details.)

**Free & instant mobile text alerts** to help students track the progress of their orders.

# Integrating with NSC Reverse Transfer

NATIONAL STUDENT  
CLEARINGHOUSE

← REVERSE  
TRANSFER →

A landmark project to **award up to two million students**  
**the degrees they earned**, but don't have

# How does Reverse Transfer work?

# Key Features

- Trusted **central location** for storing and receiving data
- Crosses **public, private and state lines**
- **Course-Grade data** information in pipe delimited file
- **Searchable by student** for the degree granting institutions
- **Track degrees** awarded & data sent & received
- **Filter for associate degrees** before sending to 2 year institutions.
- **Download** cumulative student data **when the 2 year is ready** to evaluate for the semester and receive student data when based on a threshold of total earned hours

# Integrating with the NSC Transcript Center

The screenshot shows the OrderaTranscript.com website. At the top, the logo 'OrderaTranscript.com' is displayed in a large, dark blue font, with 'brought to you by NATIONAL STUDENT CLEARINGHOUSE' in a smaller font below it. The main content area is divided into two columns. The left column features a red heading 'Order official transcripts to be sent to academic institutions across the country', followed by a paragraph explaining the service and a section titled 'How this Works' with detailed instructions. The right column contains a 'Start' button, a 'Track a Transcript' section with a search input field and a 'Track' button, and a 'Who is the National Student Clearinghouse?' section with a brief history and a link to the website.

**OrderaTranscript.com**  
brought to you by NATIONAL STUDENT CLEARINGHOUSE

**Order official transcripts to be sent to academic institutions across the country**

Through this site, you can order official transcripts to be sent to academic institutions across the U.S. as well as to hundreds of scholarship organizations, certifying bodies, and other entities.

**How this Works**

If you are a student at least 18 years old or the parent of a student, you can use OrderaTranscript.com to order a transcript sent from your school to the institution(s) of your choice. Before completing the order, you will be asked to provide a credit card for those transactions that have an associated cost. Once you successfully complete your transcript order, the National Student Clearinghouse will electronically send your order to your school registrar. It is then up to your school registrar to fulfill the order.

Once fulfilled, if an intended recipient can receive a transcript electronically, the delivery process typically takes a matter of minutes. If the intended recipient cannot receive a transcript electronically, the delivery will be sent via first class mail either on the same day the transcript order is fulfilled or the following business day.

In the event that the transcript request is not fulfilled or the transcript itself cannot be delivered, any fees associated with the failed order will be refunded.

If you are unable to locate your school in the system, please contact your school counselor or registrar. You may email [K-20Transcripts@studentclearinghouse.org](mailto:K-20Transcripts@studentclearinghouse.org).

## Test Environment

# Reporting Enhancements

The screenshot displays the SPEEDserver website interface. At the top left is the SPEEDserver logo, which consists of an orange lightning bolt icon inside a square, followed by the text "SPEEDserver". To the right of the logo is a search bar with the placeholder text "Search this website...". Below the logo and search bar is a dark navigation bar with several menu items: "OVERVIEW", "GETTING STARTED", "USING SPEEDE", "TECHNICAL", "REPORTS", and "REGISTER". The "REPORTS" menu item is highlighted in white. Below the navigation bar, the page content is divided into two main sections. The first section is titled "Registrant Reports" and contains two links: "> Current Registrant List" and "> Changes To Registrant List". The second section is titled "Cumulative Reports" and contains a form with four input fields: "\* Start Year" (with "2017" entered), "\* Start Month" (with a dropdown menu showing "July"), "\* End Year" (with "2017" entered), and "\* End Month" (with a dropdown menu showing "July"). Below these fields is an orange "Submit" button. The dropdown menu for the "End Month" field is open, showing a list of months from "January" to "October", with "July" highlighted in blue.

# Quick 'n Easy Enhancements

- Develop a version of Quick 'n Easy to run on Linux
- Uses a command line interface
- Able to process TS-130s in batches not just one at a time
- Able to be invoked by a job scheduler so it can be automatically run at set times.
